### Sound of Mantra's

The mantra's give their result not only by writing or by keeping it as art in your home.

It gives its work also by chanting or reciting it.

The sound of mantra's is the result of the ancient technology a discovered by the sages of a far past history.

Mantra's to the gods, goddesses and mighty powers.

May they aid your life, and of your beloved ones.

May the mantra's create a world of peace.

A world filled with wisdom.

A world without violence or war.

Each mantra, devoted to another god or goddess has its own effect. May the gods bless us with a good life.

## **Introduction**

This part of the book consists of Mantra's and hymns devoted to the gods, goddesses and powers as defined and described in the holy scriptures.

Mantra's are words or sentence, phrases with a meaning that transcends our reality and its objects.

Mantra's were conceived thousands of years ago, in an age lost with the only reverants still existing the upanishads, veda's and the experience of the sages.

It is my humble opinion to collect mantra's and what they originate when used in the right manner.

Mantra's are mainly devoted to a god, goddess or power. The god which presides over a theme or topic and supports a certain virtue or realm.

If a mantra is touching your heart, please use it in reciting, chanting it, Or considering it and contemplating it.

May the Mantra's please the gods and help granting their favors to us.  
May the gods bless the honest and good people.
